

## **Job Vacancy – Level 3 Qualified Practitioner**

The White House Nursery are looking for Qualified Level 3, enthusiastic and high quality nursery practitioners to join our baby, toddler and preschool teams at our 5 settings.

As a family owned business we are firm believers that our staff are our greatest asset, so we endeavour to ensure you have a fantastic induction and internal training structure. This then enables each new staff member to integrate quickly into their new team and work in line with our company ethos.

Essential Skills for this position are as follows -

- Level 3 (or equivalent) in Early Years Education
- Excellent understanding of the EYFS and how to use it effectively
- Good knowledge of core policies & procedures in Early Years (safeguarding, equal opportunities, behaviour management) High levels of energy & passion
- Warm & friendly personality
- Good patience and ability to engage children of all abilities
- Excellent spoken and written English
- Proactive, 'can do' attitude
- Innovative & inspirational approach to learning indoors and a passion for outdoor play

Desirable Skills for this position are as follows -

- Experience in Early Years Practice
- Experience across all age groups (0 to 5 years)
- First aid qualified
- Additional training (e.g. safeguarding, food hygiene)

Benefits to Employees when working for The White House -

- Good Quality, Branded Uniform
- Regular in-house and external training for all staff
- Annual & regular staff socials including a Christmas party
- Opportunity to establish new friendships with like minded people, via our interactive staff social media group

For further details regarding the application process you can call Laura on 01332 666414.

For more information about our nurseries, and to get a feel of how we work you can visit our website at [www.whitehousenurseries.com](http://www.whitehousenurseries.com) or even come and collect an application form in person at one of our settings. We look forward to hearing from you.
